SUBJECT: Rule 105 Requirement for the Patent application 09/687,510.

Applicant and Assignee of this application are required under 37 CFR 1.105 to provide the following that the Examiner has determined is reasonably necessary to the examination of this application.

Upon reviewing non-provisional and the provisional application 60/159129 which the applicant claimed the benefit of priority date filed on 10/12/1999 showed screen shots of an actual commercial product of the IP web services. To make the record clear the examiner is requiring specific information that may be used to delineate the invention and the commercially available products.

- a. The actual information supporting this product is required.
- b. All information related to this commercial product including but not limited to when the product is developed and deployed.

- c. Where support from claimed subject matter (09/987510) is found in the provisional application (60/159129).

In response to those requirement that require copies of document, where the document is a bund text or a single article over 50 pages, the requirement may be met by providing copies of those pages that provide the particular subject matter indicated in the requirement, or where such subject matter is not indicated, the subject matter found in the applicant's disclosure.

The fee and certification requirement of 37 CFR 1.97 are waived for those documents submitted in reply to this requirement. This waived extends only to those documents within the scope of this requirement under 37 CFR 1.105 that are included in the applicant's first complete communication responding to this requirement. Any supplemental replies subsequent to the first communication responding to this requirement and any information disclosure beyond the scope of this requirement under 37 CFR 1.105 are subject to the fee and certification requirement of 37 CFR 1.97.

The applicant is reminded that the reply to this requirement must be made with candor and good faith under 37 CFR 1.56 where the applicant does not have or cannot readily obtain an item of required information, a statement that the item is unknown or cannot be readily obtained will be accepted as a complete reply to the requirement for that item.

This requirement is subject to the provisions of 37 C.F.R. 1.134, 1.135 and 1.136 and has a shortened statutory period of 2 months. EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a).
